

Ascension of the Lord

Congratulations to the boys and girls from the Ballyroan Boys National School, Scoil Naomh Padraig and Rathfarnham Parish National School who celebrated their First Holy Communion on Saturday. We welcome them into the Eucharistic Community and encourage them to receive Holy Communion as frequently as possible.

A special thanks for all the help to make this day so special: to their parents, teachers and to those who did so much work to make our church look beautiful both inside and outside.

Annual Baptism Mass will take place next Sunday Feast Pentecost at the 10.30am Mass. Those who were baptised in this church during the year have been invited back for this ceremony, but anyone who was baptised here is welcome to come to the Church on its Feast Day to celebrate their initiation into the Christian family.
