CALMNESS IN OUR LIVES

I am passing this on to you because it definitely works and we could all use a little more calmness in our lives. By following simple advice heard on the Turbidity show, you too can find inner peace.

Dr. Mark proclaimed, 'The way to achieve inner peace is to finish all the things you have started and have never finished.'

So, I looked around my house to see all the things I started and hadn't finished, and before leaving the house this morning, I finished off a bottle of Merlot, a bottle of Tequila, a package of biscuits, the remainder of my old Prozac prescription, the rest of the cheesecake, some Pringles, and a box of chocolates.

You have no idea how good I feel right now.
