Let us remember that we only have the present moment. Yesterday is gone and we cannot be sure of tomorrow so let us wake up each morning and thank God for his blessings and try to love him with all our heart, with all our mind and with all our soul.

As we move into the winter months, Lord, may your love be a light in our darkness, a fire to warm us, may your love be in the wind that inspires us and in the raindrops which cleanse us. Lord, once surrounded by your love, may we bring it to others so that our world is a better place because of us.
