Mary Graham is holding her coffee morning for the Hospice in Anne Devlin Avenue on 22nd September.

There will be a Healing Mass in the Church of St. Colmcille, Knocklyon on Wednesday 21st September at 11.00 am. All are welcome.

The Jubilee Committee continues to meet. Anyone with photos or other items of interest can leave them into the office (in an envelope clearly marked) these will be photocopied and handed back to the owners.

The SHARE collection will be replaced this weekend by a collection for CROSSCARE,

Our Scripture readings this weekend speak of money and the correct use of it. If we have excess we need to share it with others and not trample on the needy.

This weekend we are asked to give generously to CROSSCARE which provides services to the homeless, to youth and to community services in the diocese.

At a time when so many people find themselves without accommodation, without sufficient food to feed their families, and when lots of young people need counselling, our contribution can MAKE A DIFFERENCE.

It's better to

lend a hand

than point a finger
