Lord, Peter and Andrew, James and John were going about their daily tasks when you stopped by, entered their lives and asked them the very important question –“ will you follow me?” Lord, we often think that our lives are very ordinary. Help me to realise that you choose the ordinary, you choose the sinner, you choose

likes of me to carry out your work. Help me to value what I do, the often monotonous daily tasks realising that you are there with me. When you ask me the important question, may I be ready to answer YES and ready to go with you to share the GOOD NEWS of your kingdom with others.
