

Notices for the Week

-This Sunday is Safeguarding Sunday when we reflect on the good work which is now taking place in parishes throughout the country to make sure our children are safe and welcome in our churches while at the same time we remember all those who were hurt and are continuing to hurt because of the failures in our Church in the past. We thank Ron Charles for all she does for safeguarding duties in our parish .

-Thanks to all involved in the lunch-time concert last Monday which was a great success.

-The coffee mornings for the Hospice were wonderful social occasions both bringing people together and collecting vital funds for hospice care. Well done to all.
-Volunteer drivers are needed to drive patients to and from treatment. More information 01 2310594

-As you are aware parking around the Church is becoming a problem. We would ask parishioners to be mindful when parking, respecting the handicapped spaces. We also point out that parking in the Ruah Centre is for those who are working or involved in the Ruah Centre only.
-The Legion of Mary invite you to their pilgrimage to Knock on 30th September 4972832

During this past week we have experienced storms and extreme weather conditions which remind us of our vulnerability.

Storms aren't fun, either at sea or in real life. Yet we learn lessons through storms that we never would learn if life were always calm. The Christian faith is not just to get us to heaven when we die. It teaches us how to live in the here and now, especially when life gets stormy.

*Lord, we place ourselves in your hands.
May we remember to call on you in calm times as well as when storms arise.
We know that you are always with us but sometimes we forget to pray and thank you when times are good
Be with the families whose lives were turned upside down in recent days and for those who died in tragic circumstances.*

Amen
