God of the ordinary and extraordinary, give me a discerning eye to see the extraordinary in the ordinary things of daily life!

God says to me: "Come in! Do come in! I've painted these woods gold and brown and yellow just for you...Come in and swish your feet among the crisp fallen leaves. I've created that sound just for you too...Look up...look down...look all around. Listen... smell... touch... taste. It's all for you. All!...Walk around if you wish...or stand in one place...or sit on a log...or even kneel on the carpet of leaves....I know you are busy doing all kinds of good things, but I hope you can afford a few minutes just to enjoy this special season....Do come in, my Beloved, and just be...with me."
