Mother's Day is usually considered a day when we think of our own mothers and celebrate their generosity and love. But let us now reflect on what it is like to be a mother!

-If you are a mother with a loving family and healthy children, we rejoice with you.

-If you are a mother who has lost a baby or given a baby up for adoption, we remember your loss.

-If you are a mother who has a sick or handicapped child, we would like to support you.

-If you are a mother whose child is suffering from addiction or mental problems, we pray for you.

-If you are a mother who is struggling with ill-health or a serious diagnosis we pray that your family will be close to you in your time of need.
