EASTER + GREETINGS

On behalf of the whole Parish I would like to say a big well done and congratulations to all who were involved in the planning and preparing and celebrating the ceremonies for Holy Week and Easter.

Once again thanks for all your support and encouragement. Our Mass at 10.30 will be offered for all your intentions.

Coffee Morning in the Ruah Centre after all Masses today, this is in aid of a young parishioner who is going to India over the summer to work with underprivileged and disabled children. Your support will be greatly appreciated as every cent goes to this good cause.

Easter Sunday can fall on any date from March 22 to April 25th. The year-to-year sequence is so complicated that it takes 5.7 million years to repeat.

On Easter Sunday morning all roads lead to the tomb.

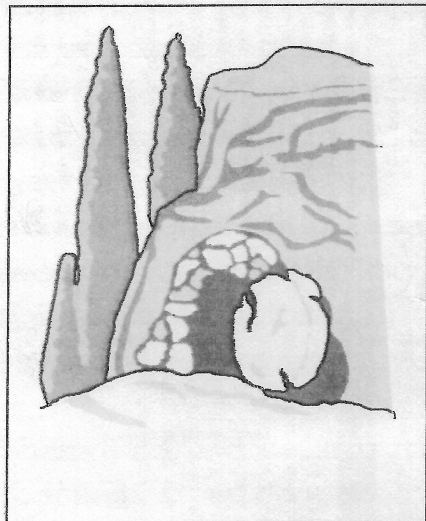

The symbols of death have been abandoned forever.

Life cannot be contained, it cannot be fenced in.

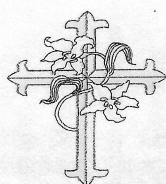

The stone will never roll back and the grave has become an exit door to life.

Since the Risen one had flesh and blood like ours, the sense of election is extra special. If we were moved to tears on a summer night in 1969 when Armstrong took one giant leap for mankind by setting foot on the surface of the moon, how immeasurably greater is our joy today as an eternal theme is written into history, a body can rise again, a friend can live again, a life can be again. Our journey has a destination. Our effort has a purpose. Our questions have an answer. - this is very good news and we will, like the child want to hear the story again and again.

When one breeds an angora rabbit with an Easter Bunny is that a cross hair?

Monday the 9th is the Bank Holiday and the mass is a Funeral Mass for James Geraghy and will be at the normal bank holiday time of 11am.
