When we wake and greet each day, Lord, we never know what awaits us, what storms lie ahead.

Help us to make use of every moment we have, to plant seeds of love, hope, joy and peace. May we live each day to the full, may we tell others how much we appreciate them and may we never forget that one day you will call us to yourself.

May the love of Christ overwhelm all those who have lost loved ones in a sudden and tragic way this last week. Their lives will never be the same but may the love they enjoyed and the memories they cherish sustain them and may the support of family and friends be a source of comfort and hope.
