

## The Feast of Corpus Christi

*We took the keys and possession of the new Pastoral Centre on Tuesday and I must say I was really impressed with the design, concept and quality of the building. It is a new resource for the Parish and I can see all kinds of possibilities as our Taoiseach would say 'Going forward'. The builders are still finishing off bits and pieces so we cannot open it generally for the next week or two but are inviting any/all of you to visit after the Masses this weekend to see the bones and would welcome ideas and even maybe a name for it either to me, Sr. Margaret, Aine or any of the Parish Pastoral Council. May it be a place of welcome, learning and bonding for the Parish of the Holy Spirit.*
