Outdoor collection this weekend is in aid of **Habitat for Humanity**.

Habitat for Humanity was founded in 1976 by a group of people who envisioned that: 'What the poor need is not charity but capital, not caseworkers but co-workers.' This group developed the concept of partnership housing — where those in need of adequate shelter would work side by side with volunteers to build simple, decent houses. Habitat for Humanity Ireland has set the goal to build 40-50 houses per year with families in need by 2010. It aims to see families lifted from housing list to home ownership through self-help, providing the means for people to build their own home.

You are invited to an evening of Music and Art in St Mary's Pro- Cathedral on Saturday 8th May at 8pm with the Palestrina Choir and Dr. Eileen Kane.
