Exam prayer
Dear Lord as I take this exam, I thank you that my value is not based on my performance, but on your great love for me. Come into my heart so that we can walk through this time together. Help me, not only with this test, but with the many tests of life that are sure to come my way. As I take this exam, bring back to mind everything I studied and be gracious with what I might have overlooked. Help me to remain focused and calm in the knowledge that no matter what happens today, you are there with me. Amen

**Someone is dropping their household rubbish into the bin across from the Ruah Centre and it's spilling over onto the ground and making a mess that either myself or our garden volunteers have to clean up – this is unfair and unhygienic so if they could please desist and if someone sees it happening they might let them know that it is not appropriate.
