Congratulations to all our students who did so well in their exams, for those going to college, enjoy and please check out the Chaplaincy Services in each college, I know many of the Chaplains and they are a great bunch of people who might help you in your transition from small school to College. Speaking of small school and small ones, I hope you (even though I doubt if you can read after only 3 days in school) are settling in your new schools.

#### Jubilee Section

We had our first meeting of the Jubilee Committee last Wednesday with a great group who represent all areas and ages in the parish, some are new to us and some have been with us since the beginning. We have loads of ideas but are always interested in new and better ones. We want to celebrate the last 50 years which saw the development and growth of the parish to what it is today and also to look forward to the next 50. Photos, memories and suggestions welcome.

Jubilee will start with Mass celebrated by Bishop Brendan Leahy in January

# September

Welcome back to our more newsy format after the summer break. I hope you all had a lovely break/holiday or just time spent at a slower pace. Also I hope you enjoyed our summer musings and found some of them helpful on your spiritual journey. Congratulations to Paddy & Bernie Drennan on their 50<sup>th</sup> Wedding Anniversary this weekend, and to anyone celebrating anniversaries or birthdays around this time.
