Ballyroan: Church of the Holy Spirit Parish Notices May 17th

We hope everyone is keeping well at this difficult time.

1. Please **keep in touch** with our parish community in various ways:

By joining our web cam Mass -remember there is a very good reception via the MCNMEDIA.TV we are recording Sunday's Mass at 10am on Facebook live also- it is saved and you can see it later in the day if you miss it at the time.

2. Check out our parish website you will see there, links to our parish **Facebook and Twitter accounts**. Please download the app and follow us, as an important member of our parish community and share a message, prayer or picture. **Averna** our parish pastoral worker is **video-recording the Sunday readings**, you can see them on our Facebook account, Bishop Eamon Martin has some lovely words for our sick on our Facebook too.
3. Next week Sunday 24th May, **DRESS UP SUNDAY for our HOLY COMMUNION Children**. Join us at 10am via webcam or Facebook live. Your teachers will join us here for our ceremony- you might like to share photos and prayers with you parents' permission.
4. **Mass Cards**- available at the end of the Church, you can arrange an anniversary Mass by placing the card in the safe/donation book at the end of the Church, or by email to our parish ballyroanparish@gmail.com, or post into Fr Peter's house.
5. **All those who have died** recently have their names placed in our memorial alcove at the back of our Church

Let us all care and pray for each other

Thank-you

Fr Peter and Averna
