

Church Car Parking

The parking spaces at the front of the church have been re-configured and re-painted, as safety had become a major issue with the front area of the church at times becoming overcrowded with cars, causing a hazard to people visiting the church.

Please only park in the designated spaces and limit your time to one hour during weekdays, this will allow entry to the parking spaces for others who may require transport to visit the church.

Despite requests, people still continue to use the blue parking areas for shopping and all day parking, as a result, parking signs will be erected in the church grounds in early January.

Regrettably, if this problem with parking persists then we will have to consider further options.
