Lenten Reflection Fr. Michael:

My Friend Kyle

Kyle was a loner. He kept to himself, he rarely talked to anyone . He never let anyone get close to him. Friends, co-workers , parents...it did not matter . Everyone was kept at a distance , Kyle didn't understand that loving others was a risk worth taking,

So I say give love a chance . Be open with others about your feelings Your heart and head will tell you when and how ... show someone you care. If you keep your feelings bottled up for too long they might spoil.

Amen
